### EMERALD ISLE HERITAGE VILLA, NEAR KOCHI

Stranded on a river island, reached through the Keralan backwaters by dugout canoe, this low-slung bungalow is a converted plantation house with just four cosy rooms. It's surrounded by paddyfields and rivers, which means that meals are as fresh as can be, with curries cooked using the daily catch and sweet rice puddings. *Doubles from £65, full board (00 91 944 707 7559, www.emeraldislekerala.com).*
